WEST MICHIGAN SURGERY CENTER ENDOSCOPY PROGRAM

Expanded endoscopy service offerings at WMSC!

The West Michigan Surgery Center strives to provide accessible, high quality, and cost-effective endoscopy services to patients in our service area. In an effort to expand our endoscopy service offering WMSC has added two gastroenterology physicians. Their addition helps WMSC to further its goals of meeting and exceeding the expectations of each patient, family member, and physician served.

The two new gastroenterologists will provide patient consultations, EGD procedures, and colonoscopy procedures.
